Assignment 4

Due Sunday by 11:59pm   **Points** 100   **Available** after Mar 29 at 12am

---

25% of total assignment grade.

Note:

- This is NOT part of the team project. Do it on your own.
- Submit your entire dominion folder with all new files to class repository.

1. (60 points) Write a random testers for two Dominion cards, one of which has to be the adventurer card. Check these random testers in as **randomtestcard.c** and **randomtestadventurer.c**.
2. (20 points) Add rules to and check in the **Makefile** to produce **randomtestcard.out** and **randomtestadventurer.out**.
3. (20 points) Write up and check in the development of your random testers, including improvements in coverage and effort to check the correctness of your specification, as **randomhistory.c**. Be detailed and thorough!
